Ms. Braid:

Pursuant to the Michigan Freedom of Information Act, Michigan Constitution, and federal and state records retention schedules and laws, I request access to the following records.

- Any records documenting the April 3, 2007 incident between Sheriff Jon Wilson and Lieutenant Michael Ash, including but not limited to statements taken of witnesses, supporting documentation provided by the alleged victim, and the resulting communications (notes, memos, e-mail, etc.) between the County Administrator and/or staff and Sheriff Wilson.
- The personnel files of both Wilson and Ash.
- Any records of communication between Michigan State Police detective Mark Pendergraft or any other Michigan State Police representative and the County Administrator and/or staff conducting the inquiry.
- Any records showing the current investigative status of the incident
- Any records retained by Margaret McAvoy regarding verbal interviews or written statements of witnesses related to this incident.
- Copies of all policy statements that it is inappropriate for employees to speak to the County Administrator without permission.
- Copies of the last 5 FOIA request letters and your responses (without including responsive material) your office has received.

Please contact me regarding an appropriate time for me to review these records at my number below. You may transmit digital copies of e-mail or other electronic records to my e-mail address and fax any small number of paper records or a response to my fax number.

Truly,

Chetly Zarko
